After Suffering Twenty-five Years She Takes Tanlac and Gains Twenty-nine Pounds. Not Like Same Person.

Not Like Same Person.

My wife has gained liventy-nine pounds and now we just set back and talk about the happy days Tanlac has brought us. Writes L. A. Beaty, of Selmer. Tennessee, in a letter, dated July 18, to the Tanlac offices.

"I just want to say that I have not be followed by the future looks bright as silver dollars to us. Twenty-five years ago she was every year of sin and I have been this couldn't live. I have tried excepthing traveled all over the country with herand spent great sums of money, but what I have tried excepthing traveled all over the country with herand spent great sums of money, but thing did her any good. She had run down to where she weighed only geventy-six pounds.

"I saw Tanlac advertised, bought it for her and she son commenced to pick up, and now she weighs one flundred and five pounds-has actually gained twenty-nine pounds. I wish you could have seen her before she took Tanlac all her housework and tends to her flowers and a yard full of chickquas besides.

"I can prove what I say is true by my county officials and lots of other flowers and a yard full of chickquas besides.

"I can prove what I say is true by my county officials and lots of other good people. You may know it makes me feel good to see my wife well and enloying life after suffering for years, and I honestly believe that Tanlac is the greatest medicine on earth. I'm just-a walking, talking booster for Tanlac head of what it has done for us, and I have been the cause of many others. The cause of what it has done for us, and I have been the rediction on earth. BABY HIPPO SAYS THIS IS "NEW ONE ON HER"

How does "Evergreen" sound to you as a pet name for a baby?

Things took on a new aspect Wednesday when votes began to be counted in the contest for a name for the 55-pound baby hippo now making her home at the Overton park Zoo. The cause for the sudden jump in popularity of the name Evergreen is ascribed to the enthusiasim of the members of the Evergreen Civic club, which turned in 37 new votes for the hippo.

Mickey, with a total of 23 votes, led the race Tuesday, but has been compelled to take second place. Another strong contender to make a good showing Wednesday is Dot, some of the advocates of this name coming in with votes which sent this favorite to fourth place.

Several days yet remain in which votes may be sent in to the Zoo editor of The News Scimitar and as many votes for any one name may be submitted as desired, provided each vote is mitted as desired, provided each vote is mitted as desired, provided each vote is may be submitted as desired, provided each vote is may be submitted as desired, provided each vote is may be submitted as desired, provided each vote is may be submitted as desired, provided each vote is may be submitted as desired, provided each vote is may be submitted as desired, provided each vote is may be submitted as desired, provided each vote is may be submitted as desired, provided each vote is may be submitted as desired, provided each vote is may be submitted as desired, provided each vote is may be submitted as desired, provided each vote is may be submitted as desired, provided each vote is may be submitted as desired, provided each vote is may be submitted as desired, provided each vote is may be a dime.
